(a) The purpose of this Regulation is to provide a procedure for extending certain exemptions guaranteed by these treaties to consular officers located in Georgia.

(2) The tax imposed by the Act is an excise tax levied upon the first purchase or sale of Alcoholic Beverages imported into Georgia.

(a) Where a consular officer imports Alcoholic Beverages directly from abroad or from a federally bonded warehouse for the official use of the consular post or for the personal use of the consular officer or members of his family forming part of his household, the transaction is exempt from Georgia Alcoholic Beverages excise tax under the multilateral consular convention referred to in paragraph (1) of this Regulation if the consular officer's sending State is a party to the convention or another treaty with the United States of similar import.

(3) Consular Officers are authorized to purchase and import directly from abroad and from federally bonded warehouses located in the United States Alcoholic Beverages free from Georgia Alcoholic Beverage excise tax, under the procedures and subject to the restrictions set forth in this Regulation.

(a) Consular Officers may purchase tax-free Alcoholic Beverages directly from abroad by notifying the Department of the proposed importation on a form provided by the Department;

shall not exceed the quantity necessary for direct utilization by the persons concerned.

(5) In the event the Alcoholic Beverage product desired to be purchased is available from a Georgia licensed Wholesaler and is one in which excise taxes are collected and paid by a reporting system, the Commissioner may authorize tax-free purchases from such licensed Georgia Wholesalers.
